Ingredient names are reproduced as listed on the product page. Refer to the final package for the complete, current ingredient declaration.

CUP CHARACTER

The website describes a mildly sweet blend with red-date, rose and ginger notes. Brown sugar appears in the listed formula.

PREPARATION & PRODUCT DETAILS

Make it part of your routine

PREPARATION & ROUTINE

1. Read the current ingredient list on the product package.
2. Follow the package instructions for water quantity and temperature.
3. Use the package steeping directions; no fixed time is supplied here.
4. For questions about the routine or ingredients, contact Laicuherb.

The product page does not provide a complete brewing specification. Directions from another tea have not been substituted.

PHASE POSITIONING

The brand positions Bloom for the ovulatory phase. This is a tea-routine description, not evidence that the finished product changes hormone levels.

REALISTIC EXPECTATIONS

This sheet does not claim fertility enhancement or treatment of hormonal conditions. Seek professional advice for reproductive health concerns.

IMPORTANT INFORMATION

This product is not intended to diagnose, treat, cure or prevent disease. Consult a healthcare professional before use if you are pregnant, breastfeeding, taking medication or managing a health condition. Follow the final product label.

A product information sheet is not a clinical finding, batch test report or certificate.
